

EXPERIENCE

 San Francisco, CA

 2020.08 - present

 2019.08 - 2020.08

 2018.10 - 2019.07

ThousandEyes (Part of Cisco)

Lead Product Designer (Cisco acquired ThousandEyes)

Senior Product Designer

Product Designer

- Work with executives, product managers and engineers to define and align on design requirements, ensuring strategic and user-centered solutions.
- Lead end-to-end design efforts for the ThousandEyes network monitoring platform, simplifying complex workflows to enhance usability, improve existing user experiences, and drive innovative product initiatives.
- Develop wireframes, mockups, prototypes, and workflows to optimize usability and improve user satisfaction.

 Austin, TX

 2016.06 - 2018.09

Watermark Insights (TK20 Inc. prior company merger)

Interaction Designer

- Led the core Academic Planning project UX design for the brand new high-education assessment platform post-merger.
- Defined the UX process framework, conducted user research, created journey maps, workflows, prototypes, and validated designs through usability testing.
- Partnered with cross-functional teams to deliver innovative, scalable design solutions.
- Standardized UX deliverables and built an interaction pattern library to streamline future designs.

 Menomonee Falls, WI

 2015.09 - 2016.06

Kohl's Department Stores

Experience Designer

- Designed the Buy Online Pick Up in Store (BOPUS) experience across mobile, tablet, desktop and in-store kiosk platforms.
- Researched, designed, and tested both customer-facing and associate-facing digital experience. Collaborated with the store operation team on Kohl's in-store physical fixtures, signages, and way-finding elements of BOPUS.

 Bloomington, IN
